## EMERGENCY *Procedures*

The following procedures shall be implemented whenever a student is injured in the course of activities conducted at Elite Championships.

1. The instructor shall immediately notify the health personnel present at the activity and the health personnel shall assume responsibility for the emergency treatment of the student.
2. If no health personnel are present, or if none can be immediately summoned to the student's aid, the instructor shall administer such first aid as may be necessary.
3. If the student's injury requires more than routine first aid, the instructor shall:
  - Summon an emergency personnel
  - Arrange for the student's transportation to the nearest hospital
4. The instructor or his/her designee shall promptly notify the Event Manager, the Program Coordinator, and the student's parent(s) or legal guardian(s) of the student's injury and the condition and location of the student.
5. An injured student who has been transported away from the premises must be accompanied by the instructor, a member of the Event Organizer, and the parents/guardians.

### Readmission to Competition Activities

A student injured in the course of a competition activity will be permitted to participate in the competition only on the written permission of the medical inspector or designated team doctor, designated school health personnel who must first examine the student to determine his/her fitness to participate in competitions. Written notice of that determination, signed by the medical inspector or designated team doctor as appropriate, shall be given to the student's parent(s) or legal guardian(s).

### Readmission to Competition Activities
